From the seminar to the science lab, from the music room to the playing field, we begin with the conviction that all human beings can know truth, create beauty and practice goodness. ~ from the Thomas MacLaren School Mission Statement

Support our Community

We Need Copy Paper!

Half way through the year, we find our stock of copy paper is running extremely low. **Please consider picking up a few reams and donating them to the school** before the end of the semester. Thank you for your generosity!

Marshall Fire Disaster Relief Fund

Our friends at the League of Charter Schools are collecting funds to give to charter school families who have lost their homes or been displaced from them. The League will pass along 100% of donations to schools with families who have been impacted. We think the best way for MacLaren to respond is together as a school community. Any donations made to MacLaren will be passed directly to the League of Charter Schools for this cause. Donations accepted through next Friday, January 21st.

Give through [MySchoolBucks](#)*, [PayPal](#)*, or in person via card or check.

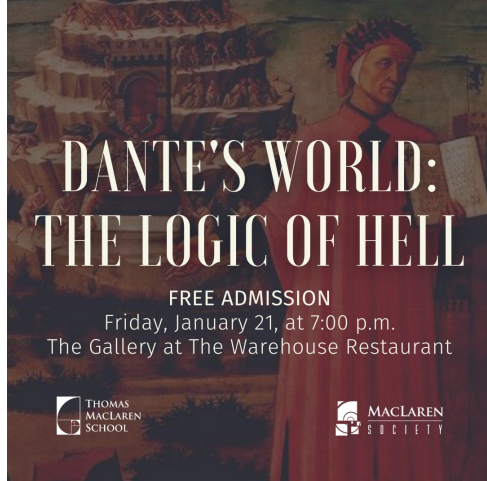

**Please write "Marshall Fire Disaster Relief Fund" in the memo field.*
